There is a \$30.00 processing fee for each loan which may be deducted from your savings or checking account. Processing fees may not be added to the loan. Your loan must be at least 6 months old with a current payment status. Interest will continue to accrue and the skipped payment may cause the loan to extend beyond the scheduled payoff date. You may skip one only winter payment, either November 2018, December 2018 or January 2019. Request must be made prior to payment due date. Excludes mortgages loans, home equity loans and lines of credit, and VISA. Skipped payment may affect future GAP insurance claims.
