CELEBRATING YOUTH SAVINGS MONTH

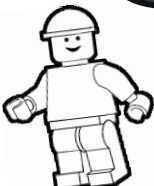

With rewards for making deposits, our Kids Club helps parents teach responsible saving and spending.

A Kids Club account is great for depositing allowance and birthday money. A parent, guardian or adult family member can open a youth-member account for a child. When they do, their child becomes a member of our Kids Club. Kids Club members enjoy rewards, contests and events all year long. Kids who are 13 and older are eligible for an account debit card, with parent's approval.

Get Rewards for saving money!

When Kids Club members make deposits they receive a fun item as a reward for adding money to their savings account.

Every deposit receives an entry in our quarterly contest-drawings*.

When a Kids Club member makes a deposit their name is entered into a quarterly drawing for prizes. Each deposit earns one entry, allowing each member to receive multiple entries- the more often a Kids Club member makes a deposit. *Ask for details and restrictions.

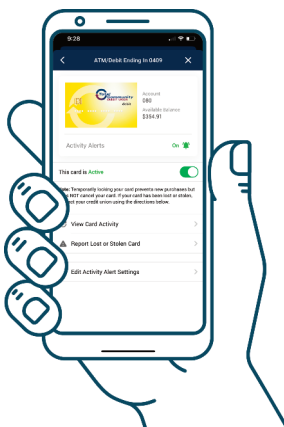

Members under age 21 yrs are not required to maintain minimum balance to avoid low balance fee.
