There is a \$30.00 processing fee for each loan which may be deducted from your savings or checking account. Processing fees may not be added to the loan. Your loan must have a minimum of 6 months of payments made and must be in 'current' status. Interest will continue to accrue and the skipped payment may cause the loan to extend beyond the scheduled pay off date. You may skip one winter payment, either November 2026, December 2026 or January 2027. Request must be made prior to payment due date. Excludes mortgage and home equity loans, Next Level loans, and lines of credit. Skipped payment may affect future GAP insurance claims.
